Grant's Farm

ST. LOUIS, MISSOURI

Welcome!

Grant's Farm invites you and your family to explore a unique setting of nature, animals and history in an up-close environment unlike anything you have experienced before. Create family memories of a lifetime courtesy of ours.

Enjoy A Historical Era

See General Ulysses S. Grant's log cabin, and its unique fence made from authentic Civil War rifles. Experience a historical era as you view the Busch family's world-renowned collection of antique carriages in the beautifully maintained Bauernhof, a 19th Century farmstead. But one thing remains true to our time...you'll be able to enjoy a bit of authentic Anheuser-Busch hospitality with food and beverages.

Wildlife Wonders

The lush setting of Grant's Farm is home to an amazing diversity of animals. We'll take you aboard our custom tram tour of the Deer Park, telling you interesting facts as you see hundreds of animals from six continents roaming freely through nature. Our Tier Garten offers you the chance for face-to-face encounters with our friendly animal family. Each season, we'll treat you to entertaining shows featuring our talented animal residents. Just check the schedule for show times! **For more information, visit www.grantsfarm.com.**

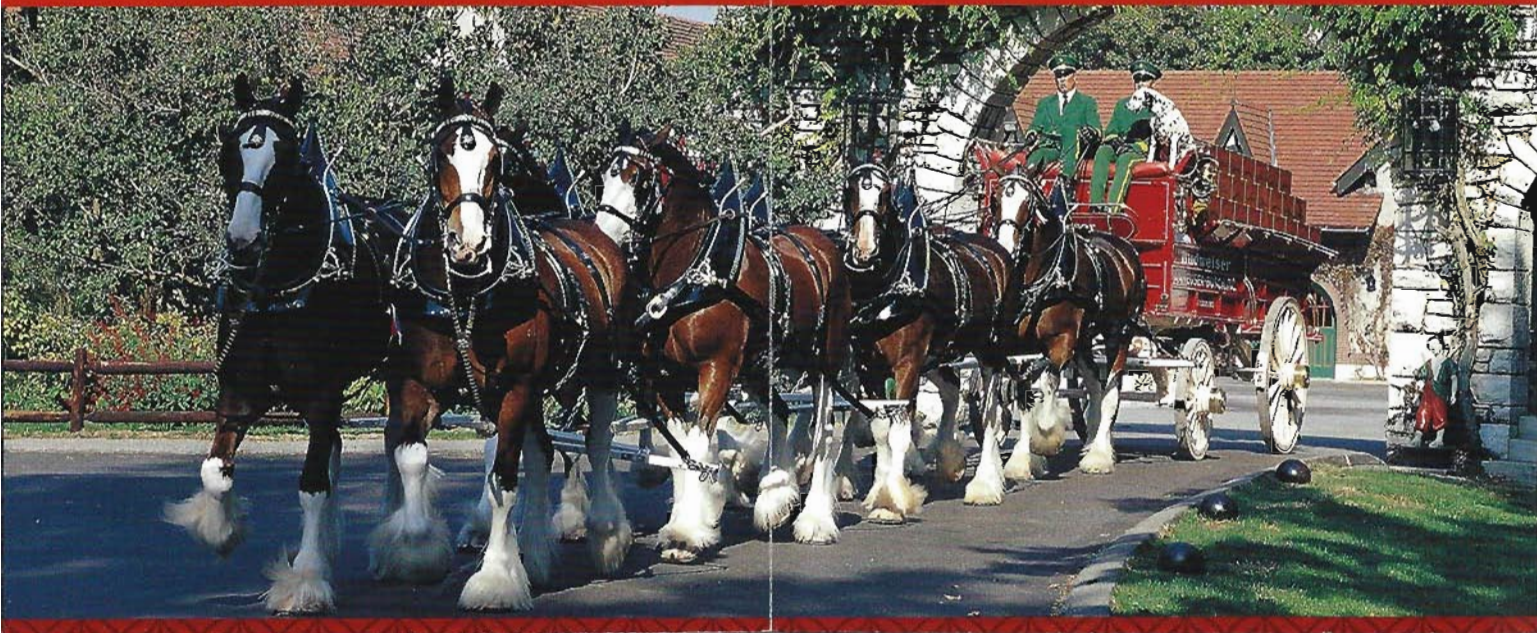

The Clydesdales

On April 7, 1933, August A. Busch, Jr. surprised his father, August A. Busch, Sr., with a Clydesdale hitch to commemorate the repeal of Prohibition. Later that month, the Clydesdales delivered one of the first cases of post-prohibition Budweiser to President Franklin Delano Roosevelt.

Meet the Clydesdales

Take a picture with the world famous Budweiser Clydesdales when you visit the historic Clydesdale Stables on the Budweiser Brewery Tour and at Grant's Farm. Both offer an excellent opportunity to get an up close look at these gentle giants.
