If you do not leave the premises, a legal proceeding will be brought against you. In that legal proceeding, you will be charged, and you are hereby responsible for the costs and expenses of the legal proceeding, including but not limited to attorneys fees.

- No automobile repair or maintenance is to be done on your site, except in case of an emergency.
- Fires must be kept in the fire rings. Damage resulting from fire is the responsibility of the camper, not the park. If the weather is extremely dry, please check with the office before starting a fire. No 24-7 fires.
- Pets welcome. 2 per campsite (dog or cat). All pets must be kept on a 6-foot leash. It is your responsibility to pick up and dispose of all droppings left by your pet anywhere. Restrain your dog from barking and disturbing others. Pets cannot be left outside unattended or tied to a tree.

- There shall be no fighting or unruly actions on the part of any campers or you will be asked to leave without any refund! You must also follow the above guidelines. Any questions may be brought up to the Managing Director, who will bring your concerns before the board of officers for a decision. This rule will be strictly enforced.
- If you are a seasonal camper, you are responsible for mowing the lawn on your site, as you know where your cords and hoses are, also for keeping your lot looking nice.
- No animals are allowed in any buildings unless it is a seeing eye dog.
- We hope you enjoy your stay and will recommend us to your friends and relatives. We would like to change the image of the "Best kept secret in central New York."

- There will be absolutely no swimming in the pond. No exceptions. No floating devices of any kind on pond.
- If you receive any warning on a park violation, that will be the only warning you will receive. The next violation will mean that you will be asked to leave the park and there will be **NO REFUND.**
